## MIXED PACK SNACK PAIRINGS

### SWEET & SALTY

The salty, fatty flavour of the prosciutto practically begs for a beer with bold passionfruit and citrus character.

### PICNIC PARTY

The perfect combo for a warm summers day. Where do the flavours of the beer end and the pesto begin?

### LIGHT & BRIGHT

The hummus cuts through the bitterness, allowing the bright citrus characters to shine.

### LUNCHBOX TREAT

The vanilla oats intensify the citrus characters, while giving the dank notes a leg up.

### FRUIT SMOOTHIE

The banana bread melds with the beer's tropical fruit flavours, before the carbonation scrubs the palate clean.

### DANK HEAT

The sweet and slightly spicy flavour of the crackers really brings out the dry and dank characters in the beer.

### MELLOW PINE

The chocolate and caramel support the beer's brilliant pine flavours, that soften the salty character of the Tim Tam.

### RICH & CREAMY

The ultra-creamy indulgence of the brie brings out the sweet mandarin character of the hops.

Trust us, you're going to want to find time for a quick trip to your local supermarket before you go cracking any of these cans. You can find Lindsay on all socials @talkbeerdytome
